Honorable Judge William P. Dimitrouleas
United States District Court for the District of Southern Florida

Re: Civil Action No. 0:16-cv-62603-WPD

Dear Judge Dimitrouleas,

My name is Toula Campbell and I am assisting in this second written request on behalf of my father, Angelo Ismirnioglou. We previously wrote to you on March 20, 2017, asking for an extension of time for my father to retain counsel and respond in this matter, which you denied (without prejudice) because it failed to comply with S.D. Fla 7.1.A.3.

We renew our request for a 90 day extension of time for Angelo to retain a Greek speaking securities attorney in the Miami area and appropriately respond to the Complaint.

I certify that someone acting on Angelo's behalf spoke with attorney for the Plaintiff, Daniel Newman, Esq., on March 27, 2017, concerning this extension, and he has agreed to provide Angelo with a 30 day extension. We continue to seek an additional 60 days to allow Angelo to return to Canada where his pertinent financial paper work is located, and to find and retain a Greek speaking attorney in Miami to represent him.

Respectfully,

Angelo Ismirnioglou
