**DEFENDANT'S MOTION FOR ENLARGEMENT OF TIME TO OBTAIN A
PROTECTIVE ORDER AND ATTORNEY**

Phil Elmaleh, as a representative of, and acting on behalf of MojiLife, Inc., respectfully submits this Motion for Enlargement of Time to obtain appropriate legal representation. We seek additional time for the following reasons:

1. We were not aware of the August 23rd, 2017 order by the Honorable Judge Snow before my father Victor Elmaleh, entered surgery Friday August 25, 2017. Unfortunately, due to some complications and further observation, my father was in the hospital for a few days and longer than expected. In addition, the recovery was lengthier than we anticipated. The surgery made our ability to obtain appropriate council familiar with Federal law in the United States, especially difficult since MojiLife is located in Canada and does not have US council on retainer. A copy of information on the surgery is attached as Exhibit A.
2. We live in Toronto, Canada and it takes at least a week for court filings to reach us. We did not receive the Order till August 31, 2017. We applied for the PACER service and thankfully we received the required token on September 6, 2017. Attached as Exhibit B.

THEREFORE, we respectfully request an enlargement of time to obtain an Attorney to file appropriate documents seeking a Protective Order on behalf of MojiLife, Inc., challenging Grisel Alonso, Receiver's efforts to inappropriately obtain proprietary information from MojiLife, Inc.

Phil Elmaleh

DAY SURGERY INFORMATION

8436351897

Procedure: Green light laser prostate vaporization

Date: Friday August 25, 2017 at 8:00 arrive at 6:30 a.m.

Our office will contact you two business days prior to your surgery date to confirm your arrival time at the hospital.

Pre-Op Clinic: If you require a Pre-Op appointment, our office will contact you with the date and time. The Clinic is located at North York General Hospital on the 4th Floor, South-East Wing. No fasting is required. You may be there between 2-4 hours. Bring a list of your medications.

On the Day of Your Surgery: Please go to North York General Hospital, Patient Registration on the Lower Level (Ground Floor), across from the Gift Shop. They will direct you to the Day Surgery Unit on the First Floor. **BRING YOUR HEALTH CARD.**

Please note -- You must arrange for an adult to accompany you home and to stay with you for the first 24 hours after your procedure to assist you with your daily activities and mobility (walking, using the stairs).

Fasting Rules: Do not eat or drink after midnight the night before your surgery. You may brush your teeth.

Medication Rules: You may be advised to stop/reduce any blood thinner or antiplatelet agents. If you do take any medication of this type, please make sure you have received instructions from Dr. Hajek regarding whether or not it should be stopped prior to surgery. At the Pre-Op Clinic appointment, make sure you understand which of your routine medications should be taken on the morning of surgery.

Following surgery, do not drive a car or perform any task that requires coordination, skill, or judgement for at least 24 hours after your anesthetic. Keep your activity light for the rest of the day. It is normal to feel a little dizzy or sleepy. Eat only a light meal (such as soup and a beverage) that evening. Do not drink any alcoholic beverages within 24 hours of the anesthetic.

NOTE:

The scheduled surgery times are only estimates, and you should be prepared to wait for several hours. In unusual circumstances, your surgery could be cancelled on the scheduled date.
